RULES

AS TO

ENDOWED ROOMS AND BEDS

A donation of \$5,000 endows a bed in a ward with the right to name the bed in perpetuity, but without the right to nominate occupants for the bed.

A donation of \$7,500 endows a bed in a ward with the right to name the bed in perpetuity and the right to nominate the occupants of the bed during the life of the endower.

A donation of \$10,000 endows a private room with the right to name the room in perpetuity, but without the right to nominate the occupants of the room.

The sum necessary to endow a private room in perpetuity, with the right to name the occupants thereof shall depend on the size, location and general desirability of the room selected.

The right to nominate the occupants of a bed or room shall be understood to mean:

That the endower shall have the right to nominate one patient at a time to occupy the said bed or room, and if all beds or rooms are occupied to a preference over all other applicants when a vacancy occurs.

In the event that an endowed bed or room is occupied the Hospital reserves the right to place the patient in some other equally good bed or room.

Persons nominated to free beds or rooms should be worthy subjects for such charity.

Persons whose means admit of their paying for hospital care and treatment are not acceptable as occupants of free beds.

St. Luke's Hospital,
Chicago, Illinois.

We have made an examination of the books and accounts of St. Luke's Hospital for the year ending December 31, 1933, and certify that in our opinion the foregoing balance sheet and accompanying statement of income and expenditure have been properly prepared from the books, and subject to the omission of a specific provision for depreciation of the Hospital buildings since 1912, fairly set forth the financial position of the Hospital as at December 31, 1933, and the results of the operations for the year ending on that date.

Chicago, May 4, 1934.

REPORT OF THE SCHOOL OF NURSING FOR THE YEAR 1933

During the year 1933 the nursing department of St. Luke's Hospital made an earnest effort to cooperate with other departments in order to maintain high standards of service. Every effort was made to curtail expenses without sacrifice to the patients or the educational activities of the School of Nursing.

This was possible in part because of the splendid contribution made by the Alumnae of St. Luke's Hospital School of Nursing. 132 nurses, the majority engaged in private duty nursing, gave 2258 days (or the equivalent of \$4,894.50, based on the salary scale of general duty nurses) of volunteer service. This assistance provided general bedside nursing in departments where a sufficient amount of nursing service could not be supplied by the Hospital personnel.

Plans to decrease the enrollment in the School of Nursing were accomplished and a greater decrease was possible because of the volunteer nursing by the private duty group. Only 60 students were admitted during the school year, this number being a decrease of approximately 35% since 1928.

A substantial number of general duty nurses were added to the staff. Several were employed on a part time basis in order to continue with their advanced preparation. The number of graduates will be increased as rapidly as financial conditions in the Hospital improve.

In order that a larger number of students might be given experience in contagious disease nursing, the Municipal Contagious Disease Hospital through the cooperation of Dr. Herman N. Bundesen, President of the Board of Health, agreed to change the three month affiliation to a period of two months. In this way, it is possible to provide experience in contagious disease nursing for six or eight additional students each year.

The Woman's Board again provided scholarships to worthy members of the nursing staff. Miss Olive Frost, assistant instructor in Principles and Practice of Nursing, was selected to attend Teachers College for a school year. Her position was filled by Miss Emma Gross who had been granted a leave of absence the previous year while attending Teachers College as a scholarship student.

Miss Cecelia Napicinski and Miss Ella Saline, members of the nursing staff, were awarded scholarships of the value of \$125 each

to attend the University of Chicago during the summer session of 1933. The benefits derived by the recipients of these scholarships are numerous and varied. Each nurse has returned to the organization and her broadened viewpoint has proved most valuable.

The income from the Herman H. Hettler, Jr. Fund, amounting to approximately \$500, again provided varied and interesting entertainment for the student nurses, the most popular request being tickets for a Century of Progress Exposition.

The Commencement activities occupied the first week of June. Graduation exercises were held on the evening of June 8th at St. James Church. This impressive service is always well attended by members of the various Boards of the Hospital, Alumnae of the School of Nursing and the friends and relatives of members of the graduation class.

A Homecoming Tea was substituted for the usual Homecoming luncheon and was attended by approximately 300 former graduates. The Alumnae Association arranged their annual banquet at the Century of Progress Exposition grounds and the members of the graduating class were honored guests. They thoroughly enjoyed the informal entertainment and the opportunity to spend part of the evening at the exposition.

The thoughtful and valuable assistance given again by members of the Board of Trustees, the Woman's Board and the Medical Board has been greatly appreciated. Many difficult problems have been less perplexing because of advice or aid received, and it is fitting to publicly acknowledge your untiring support.

Respectfully submitted,

ADA REITZ CROCKER,
Director School of Nursing.

As in other years, research has been an integral part of the laboratory. This work was continued although the funds available were less. Dr. A. P. Locke, the Seymour Coman Fellow of the Chemistry Department of the University of Chicago, David O. Rosbach, and Lawrence E. Shinn, the Eli Lilly Fellows continued their studies of the copper and iron constituents of tissues and bacteria. Dr. Cornelius S. Hagerty held the John Jay Borland Fellowship in 1933 and in the summer Dr. Gene Kistler again had an interim appointment for three months under this fellowship fund. During the latter part of 1933 Dr. John I. Brewer received support from the A. B. Kuppenheimer fund for anatomic research in the Anatomy Department of the University of Chicago. Other research studies were supported by the Watson K. Blair Memorial Fund and the Winfield Peck Memorial Fund administered through Dr. Joseph A. Capps.

Dr. Gene H. Kistler won the Joseph A. Capps prize of \$500.00 offered in 1933-34 for meritorious research by the Chicago Institute of Medicine. His research, started in the Henry Baird Favill Laboratory, was carried on jointly here and the University of Alabama.

With much regret we record the death of Mrs. John Jay Borland, who for many years has generously supported the Laboratory. Her death is a great loss, but her inspiration carries on in the Laboratory.

We again express our appreciation and thanks to those who have aided the Laboratory.

REPORT OF THE PRESIDENT

To the Board of Trustees,
St. Luke's Hospital,
Chicago, Illinois.

Gentlemen:

I beg to submit the Annual Report of The Woman's Board for 1933.

The Board is composed of 3 Honorary Members, 4 Senior Members and 56 Active Members. We had seven resignations: Mrs. Gardiner G. Hammond, Mrs. Frank Mulford, Mrs. Robert T. Newberry, Mrs. George Northrop, Mrs. Charles I. Pierce, Mrs. Robert M. Roloson and Mrs. John I. Shaw. Seven new members were elected as follows: Mrs. John A. Chapman, Mrs. Huntington B. Henry, Mrs. Frank P. Hixon, Mrs. Grant H. Laing, Mrs. Paul S. Russell, Mrs. Edwin W. Ryerson and Mrs. John A. Stevenson. The Woman's Board wishes to record with deep sorrow the loss of its former Honorary Member, Miss Helen Leslie Carter. We shall miss her devotion and great generosity to the welfare of the Hospital.

The burden of the tremendous amount of Social Service work carried by The Woman's Board in 1933 was greatly eased by the donations from the Illinois Emergency Welfare Fund and the Illinois Emergency Relief Commission. These donations enabled The Woman's Board to make good its deficit in 1932. The total cost of the Department to The Woman's Board was \$17,033.71.

Our 1933 Fashion Show netted us \$17,869.27. We operated the Show on the same reduced scale of prices as in 1932 and our net result exceeded the previous year by \$1,942.25, with an increased attendance at both performances.

The Linen Committee, with the income from the Roloson and Landon Bequests, carried on without help from The Woman's Board.

The Nurses' Committee was greatly helped by the income from the Hettler Fund and we were able to continue the Columbia

Scholarship and two half-term summer scholarships at the Chicago University.

The Occupational Therapy Department was financed by The Woman's Board and the doctors feel that the Department is functioning exceptionally well, even under the reduced budget.

Donations from The Woman's Board to St. Luke's Hospital for 1933 are as follows:

Salary of Miss Shannon, Recreational Director	\$ 1,504.62
Free Bed Fund	1,500.00
(Received in 1934 to apply on 1933)	
Linen Committee, for Garments, Linen for Training School, 2 Canvas Trucks, Folding Bed Screen, 9 Cab- inets, Salary of Supervisor, etc.	6,093.05
Kindergarten Committee	153.23
Nurses' Committee	1,889.85
Occupational Therapy Department	1,580.98
Social Service Department	17,033.76
Clothing Committee	347.40
Easter Flowers	23.00
Christmas Trees and Flowers	101.60
Donation from "Conveniences" (Mrs. Frank Hibbard) . .	300.00
	<hr/>
	\$30,527.49

May I extend to the Board of Trustees the thanks of the Woman's Board for its cooperation and assistance in the work we try to do.

Respectfully submitted,

EMILY LYON GARY,
President.

January 16, 1934.

Mrs. Edward L. Ryerson, Jr.,
Treasurer, Woman's Board of St. Luke's Hospital,
Chicago.

Dear Madam:

In accordance with your request we have audited the accounts and records of the Woman's Board of St. Luke's Hospital for the year ended December 31, 1933.

We examined and compared the book records with the bank statements and submit herewith a statement of Cash Receipts and Disbursements for the year 1933, showing a balance in the Lake Shore Trust and Savings Bank of \$4,137.88 and a balance in the Northern Trust Company of \$19,875.19, as shown in Schedule I. These amounts were reconciled with the bank statements.

We examined the investment securities held in the vaults of the Lake Shore Trust and Savings Bank as follows:

- \$4,000 American Rolling Mill Company 5% Sinking Fund Gold De-
benture, due January 1, 1948
- \$5,000 Kentucky Utilities Company 5% First Mortgage, Series "H"
Bonds, due February 1, 1961

Interest amounting to \$450 on above bonds was received during the year and duly deposited in the bank.

Yours faithfully,

ARTHUR YOUNG & CO.

January 16, 1934.

FLOWER REPORT

1933

A Rose was placed on each breakfast tray on Easter and Christmas. Hyacinth plants were placed on the Nurses' dining room tables.

Christmas Trees were decorated on each floor by Members of The Woman's Board.

ANNUAL REPORT OF THE KINDERGARTEN COMMITTEE

For 1933

On Valentine Day, Washington's Birthday, St. Patrick's Day, Easter, Decoration Day, Fourth of July, Halloween, Thanksgiving and Christmas the children on Main 8 had appropriate favors, candies and ice cream to celebrate these various holidays.

In March I took out a three years' subscription for Child Life, which is very popular with the children.

With the exception of July, August, and September Miss Bonfield received ten dollars a month to take care of her school supplies.

As the curtains in the dining room were in a very worn-out condition, I bought thirty-two yards of red and white gingham and the hospital made the curtains, which were hung for Christmas.

A fifteen dollar donation from both Mrs. John J. Mitchell and The Service Club was received in December.

The Christmas tree was trimmed by a member of The Service Club and the following is a list of some of the Christmas donors. Mrs. Frank O. Lowden gave fifty dollars to be used for toys, or clothing for each child. Mr. Harold Smith had Miss Brown go to Fields toy department, where she bought twenty dollars worth of toys.

On Christmas Day a Puppet Show was staged by The Girl Scouts. A Sunday School class came and gave recitations and sang Christmas carols; also brought filled stockings.

The wives of the Doctors gave each child a Christmas stocking, and scrap books were sent from an Episcopal church in Ames, Iowa, and from the Seventh grade of the Pullman School.

These special gifts and entertainment, along with many others, made the children's Christmas a very happy one.

Balance in bank, December 31, 1933..... \$ 721.26

Our expenditure last year was rather varied.

Miss Ida Koski, who died in February at the Oak Forest Sanatorium, had no family. We gave \$50.00 toward funeral expenses—the balance was paid by the Alumnae Association and some friends.

Miss Himottu, sent to Valmora, New Mexico, also received \$50.00 from the Woman's Board.

Miss Emma Gross who had the scholarship at Teachers College (1932-1933) on her return was made assistant instructor in Principles and Practice of Nursing

Miss Olive Frost received the scholarship of \$1,200.00 for 1933-1934.

Miss Ella Saline and Miss Cecelia Napicinski each received \$125.00 for summer school courses at the University of Chicago.

\$105.33 was expended for books for the library.

Expenses for graduation were cut as closely as possible and the total outlay was \$204.70 as against \$428.40 in 1932.

The Symphony Orchestra concert tickets sent by members of the Woman's Board were greatly appreciated by the nurses and Mrs. Crocker asks that their thanks be extended to Mrs. Gary, Mrs. K. C. Reed, Mrs. Pitcher and Mrs. Watson Armour.

ANNE E. FRANKENTHAL,

Chairman.

ADMISSION OF PATIENTS

For Children Under 12 Years of Age . . \$1.00 per day

The Charge for Open Ward Beds is . . \$4.00 per day

*The Charge for Semi-Private Beds is . . \$5.00 and
\$5.50 per day*

*The Charge for Private Rooms is . . . \$6.25 to
\$17.25 per day*

The Hospital cares for an average of about one hundred and fifty wholly free patients and will, when there are vacant beds in the open wards, receive patients whose means are limited for any sum which they may be able to pay and those without means as free patients, provided they are admissible under the rule governing the admission of patients.

Applications for the admission of patients who are unable to apply in person, must be made prior to sending them, and should be made between the hours of nine a. m. and five p. m. All promises of admission are made subject to the result of an examination, as to admissibility, on their arrival at the Hospital.

The financial status of all free or part pay patients is investigated by the Social Service Department and free treatment will not be given unless justified by the report.

Visitors to patients in the Main Building should apply at the Indiana Ave. office.

EXTRACT FROM RULES

"The Hospital is for the treatment of acute, curable, non-contagious diseases and injuries. The following are inadmissible: Sufferers from contagious, dangerously infectious, or incurable diseases, drug habits, delirium tremens, insanity and persons whose presence in the wards would be prejudicial to the welfare of the other patients.

"Patients who refuse to accept the treatment prescribed by the Medical Staff, or refuse to comply with the instructions of the physicians or nurses, or who willfully violate the rules of the Hospital will be discharged."

Occupational Therapy Department, Committee,
St. Luke's Hospital,
Chicago, Illinois.

Dear Mesdames:

We have made an examination of the records of the Occupational Therapy Department of the St. Luke's Hospital for the year ended December 31, 1933 and submit herewith a statement of cash receipts and disbursements for the year, which has been prepared from the records examined.

The cash disbursements were supported by paid bills or cancelled checks. The cash in bank at December 31, 1933, was confirmed by a certificate received from the depository.

Yours very truly,

PRICE, WATERHOUSE & COMPANY.

May 8, 1934.

ANNUAL REPORT SOCIAL SERVICE DEPARTMENT

1933

In the year 1933, the Social Service Department has taken care of 62,118 patients, a decrease of 1,421 patients from the previous year. This has been done deliberately to give better care and service to the needs of the patient. With no additions to our Social Service staff and with the increase of 6,887 patients during the year of 1931 to 1932, with the doctors who so generously gave their time and were kept long after clinic hours, which delayed them from their office hours and private calls, the increase in clerical work due to the requirements of the Illinois Relief Commission, and where requisitions for each patient must be filled in, the history of the case written as well as many inquiries answered from other interested agencies, we felt it necessary to make some change in our admission system.

In our desire to care for all patients who came to the clinics, we established a plan whereby new patients are interviewed and if they are being cared for by other agencies, clinics, or private doctors, we arrange for their return to the clinic or agency for their care to be continued. We tried out the appointment system for new patients, other than emergency cases; also appointment cards for return visits, so each doctor daily has a limited number of new patients besides his regular ones. This has worked out most satisfactorily and has afforded the patient more individual care and treatment. The extra work and correspondence with community agencies has strengthened our relationship and cooperation, as immediate information can be obtained regarding diagnoses, treatment plans, dietary needs and work limitations of patients referred by them, also in some cases social information can be obtained by the clinic worker without visiting the home.

The Visiting Nurse Association has given its usual excellent service in providing home supervision for scores of our patients who could not be given ward care.

The results of the Department could not have been obtained without the excellent cooperation of the Medical Staff who have so magnificently helped—to them we owe our thanks for their loyal attendance.

The Social Service Staff who have given so willingly their time, and each one divided the increased work, and without the invaluable assistance of our 42 volunteer workers, who have so

efficiently made themselves a part of the department, I doubt if we could have carried through.

Our clinics are held daily, with a large clinic Sunday morning.

The Medical Clinic has had the largest attendance with 15,471 visits, an increase of 1,620 over 1932. Under this clinic a new allergy clinic has been instituted by Dr. Helen Hayden, who is giving a much needed service to sufferers from asthma, hay fever, and obscure (food) allergies.

The action of the Cook County Bureau of Public Welfare in supplementing our insulin budget, has made it possible to care for an increasing number of diabetics. Miss Floore of the Department of Dietetics, has continued her excellent cooperation in helping the control of diabetes by dietary management and has greatly lessened the need for insulin. Mrs. Ruth G. Fish, our social worker in this clinic, has been assisted by Mrs. Bird, Miss Dorothy Senn, Miss Dorothy Dewes, Miss Ann Smith, Miss Florence Otis and Miss Alice May Dickinson, who have continued their volunteer work through a third year service.

In the past few months, Mrs. Clyde Walther and Mrs. G. S. Porter have taken definite responsibility in assisting the clinic management. In the Sunday morning clinic, Miss Ann Pearse has taken charge of the record room. Miss Ilena Brough and Miss Dorris Fish have also assisted. Mr. McMillan and Mr. Gilbert two students from the Meadville Theological Seminary at the University of Chicago, are taking their social service field work required, and are also doing case work and follow-up calls from our Sunday morning clinics. Miss Lydia Swift and Miss Honore White have just made application as volunteers.

Our prenatal clinics have decreased in attendance. Dr. Ladd has developed a special clinic for mothers with high blood pressure or kidney complications. Forty-five have been under supervision and carefully watched in this group. Ten unmarried mothers have come here within the last year. All have worked out their problems with the social worker to happy endings, for nine of them either married or took their babies home and only one released her child. With the reduction of the confinement rate from \$47 to \$35 we hope to build the number of patients to normal.

In our Eye Clinics, large number of glasses have been ordered, especially for those receiving relief from the Cook County Bureau

of Public Welfare. Lenses are prescribed only in cases where they are essential for a working vision or for a child in school. The social worker has been assisted by the worker from the Board of Education. Children with crossed eyes have been followed closely at clinics and at home; that, with proper care better vision and straight eyes might be obtained without operations. Adults with serious eye conditions, such as cataracts or glaucoma, have been carefully supervised or instructed in home care. Several patients who are blind have had industrial training arranged that they might be self supporting. Miss Isabel Davis has given two days a week as a volunteer in the Eye Clinic.

Our Gynecology Clinics average 30 patients a session. There are 7 staff doctors in attendance. Miss Helen Connors, our social worker, has been assisted by Miss Mary Lake, who has given most efficient help for the past year as a volunteer. Three months ago, Dr. Edwards, under the direction of Dr. H. O. Jones, started a study on carcinoma by taking some tissue for microscopic examination. Two cases of very early cancer have been found. We feel both cases can be cured since the disease has been discovered at such an early stage. Occasionally, a carcinoma case comes in unable to pay because of the cost of radium, and if a Radium Fund could be raised sometime in the future we could do much to alleviate the suffering of cancer patients.

The Surgical Clinics are held every afternoon and Sunday morning, and average 500 to 530 patients a month. There are 16 surgical staff doctors in attendance. We have been most fortunate in having Mrs. Sutphen, a former St. Luke's nurse, volunteer every Friday afternoon.

The Pediatric Clinic consists of six weekly sessions, with 8 staff men in attendance. We have divided it into Feeding Clinics—Monday and Tuesday; General Pediatrics—Wednesday and Saturday; Kidney Cases—Thursday, and heart and chorea cases on Fridays. We greatly appreciate the efficient and faithful help of our volunteers, Mrs. Marston, Mrs. S. H. Weislow, Mrs. A. K. Morgan, Miss Eleanor McNally, Miss Jean Milstead, Miss Martha Burgess, Mrs. T. S. Edmonds, Miss Ruth Rosenfels, Miss Beatrice Borland, Mrs. Julius Manaster, Mrs. Eric Lambert, Miss Katrina Mauff and Mrs. William B. Pierce.

We are very happy to learn Dr. Franklin J. Corper has been appointed a Junior member of the Pediatric Staff.

Special samples of foods and cod liver oil have been secured upon request through the courtesy of Mead Johnson and Company to be used for special feeding cases in the clinics.

Vaccinations are done in our Saturday clinic. The materials used are obtained by request from the Department of Health in Springfield.

We very keenly feel the loss of Dr. Harold Bachmann who so many years carried on the work in the Children's Cardiac Clinic. The work is now being carried on by Dr. Stanley Gibson. We have 604 active heart cases we are following very closely. There are four Special Schools in the City for the crippled children where children with badly damaged hearts are transported to and from clinics. The clothing for these children has been greatly appreciated from our Clothing Fund where families could not provide the required light-weight garments prescribed by the doctors.

We regret the decision made by Miss Pearce to join the Emergency Relief after nine years of faithful and loyal service to the department. We wish her great success in her new position. She is not only missed by the Social Service Department, but by the parents and children to whom she had also endeared herself.

The Orthopedic Clinics have moved to their larger and more spacious quarters, for which we are most grateful to the hospital. Seven staff men are in attendance. The appointment system which has been used in this clinic for the past year has been most beneficial and the patient is always given a definite date when to return. The curtailment of ward service has necessitated the development of plans for the home care of many patients who otherwise would have been admitted to the hospital for study, which has intensified the work for home care.

We wish to thank Miss Jean Schweppe, Miss Mary Reed, Miss Barbara Eldridge and Miss Wiley for their faithful volunteer work in this clinic.

Mrs. Edward P. Norcross has been in charge of our Speech Clinics for patients with speech impediments. We are indeed grateful for her help and interest.

Our Dermatological Clinic is one of the largest, taking care of 7,499 patients. Three doctors are in attendance. The Neuro-

psychiatric Clinic holds five clinics a week, with six doctors in attendance. This year we had 2,496 patients. A great deal of detail work is required by the social worker. Very often patients are in need of special care offered by one of the State Institutions. The worker fills out required forms and prepares case summaries for the Clerk of the County Court, in cases of committment of feeble-minded.

The Genito-Urinary Clinic has five clinics a week, with three doctors in attendance.

Through the Church of the Holy Spirit, Lake Forest, St. Chrysostom's Guild, Grace Church, The Woman's Auxiliary of St. Mark's Church, we have been most generously remembered with checks for the Social Service Department and jellies and delicacies for our patients which are always greatly enjoyed.

We wish to express our thanks to Mr. Zabel who has given so much of his time in filling the many extra prescriptions which the volume of care necessitated.

We are deeply grateful to Mr. Wordell who has supervised and helped at all times with our many problems, and Mr. Pearson who has offered every assistance to our department. We marvel at the work accomplished by the Department, and wish to express to Miss Armstrong who has led the personnel with the highest standard through these trying times, and to her staff our deep appreciation of the wonderful work they have accomplished.

Respectfully submitted,

MARGUERITE P. WOLF.

ANNUAL REPORT OF THE LINEN COMMITTEE OF ST. LUKE'S HOSPITAL 1933

Madam President and Members—

We have, during the past year, given the Hospital 3483 articles at a cost of \$1058.72; also supplied the Training School with 1467 articles at a cost of \$477.49.

We have continued the salary of our Supervisor of Linen at \$1230.25 and the rental of our Vault Box which is \$8.80. The amount of linen required in the Hospital during the past year having been reduced, has allowed us to purchase a number of things long needed in the Linen Room and elsewhere.

Two canvas trucks, eight steel storage cabinets for linen, one steel wardrobe, one electric clock table and chair for the Supervisor's Room; also a folding white enamel screen, new curtains for the Nursery on F Floor—these amounting to \$393.62.

Twelve nurses' uniforms were given the City Contagious Hospital as a gift from St. Luke's at a valuation of \$12.00.

We have made purchases for 1934 at advantageous prices before this month, amounting to \$2932.97. The total amount given the Hospital as shown in the following financial report of Disbursements this year is \$6093.05, less \$16.70, the refund for laundry and dining room uniforms bought by the employees, or a net amount of \$6076.35.

May we take this opportunity of thanking all those who have given to our funds and supplies and the Churches who have helped make our garments during the past year.

Respectfully submitted,

MAY W. ELDRIDGE,
Chairman.

AUDITOR'S REPORT

LINEN COMMITTEE, ST. LUKE'S HOSPITAL

JANUARY 19, 1934

Linen Committee,
St. Luke's Hospital,
Chicago, Illinois.

Mesdames:

We have audited the cash transactions of the Linen Committee of St. Luke's Hospital as disclosed by the Treasurer's records for the year ended December 31, 1933, and herewith submit our report together with the attached Balance Sheet at December 31, 1933, and statements of Cash Receipts and Expenditures and Incomes from Investments for the year.

RECEIPTS AND EXPENDITURES

The total expenditures for the year ended December 31, 1933, exceeded the total receipts by \$2,542.32, compared with excess receipts for the preceding year of \$1,403.75.

The receipts and expenditures for the year ended December 31, 1933, are submitted in Schedule 2, and they are presented in comparative form with the corresponding figures for the year ended December 31, 1932, in the following summary:

	1933	1932	Increase Decrease
Receipts:			
Donations	\$ 102.00	\$ 163.00	\$ 61.00
Interest	3,442.21	3,605.56	163.35
Fashion Show		2,000.00	2,000.00
Sale of Dresses, etc.....	16.70	39.24	22.54
	<u>\$3,560.91</u>	<u>\$5,807.80</u>	<u>\$2,246.89</u>
Expenditures:			
Salary	\$1,230.25	\$1,348.49	\$ 118.24
Supplies and Materials	4,515.94	3,026.26	1,489.29
New Equipment	325.29	325.29
Miscellaneous	31.75	29.30	2.45
	<u>\$6,103.23</u>	<u>\$4,404.05</u>	<u>\$1,699.18</u>
Receipts in Excess of Expenditures.....	<u>\$2,542.32</u>	<u>\$1,403.75</u>	<u>\$3,946.07</u>

The decrease in total receipts is due principally to the fact that no contribution was received from the Fashion Show. The increase in expenditures is attributable to an increase of \$1,489.68 in purchases of supplies and materials, and the cost of new storage cabinets and canvas trucks, etc., amounting to \$325.29.

We reconciled the cash in banks at December 31, 1933, with statements furnished by the depositaries and ascertained that all disbursements during the year were supported by cancelled checks, invoices, etc. All receipts recorded in the cash book were deposited in the bank, but our examination of the receipts was limited to the verification of the income derived from securities.

The semi-annual interest of \$105.00 due December 25, 1933, on the \$3,500.00 note of Michael and Mary Gudaniec had not been collected at December 31, 1933. The notes of the Chicago Automatic Conveyor Company for \$5,000.00 due July 9, 1932, and semi-annual interest of \$150.00 due July 9, 1933 were unpaid at December 31, 1933.

We inspected the notes receivable amounting to \$19,000.00 which are kept in the safety deposit box and we have received confirmation from the Northern Trust Company that the bonds, of the par value of \$40,700.00, were on deposit in that bank. The accompanying statement does not include the value of any interest which the Linen Committee may have in the principal of the Robert W. Roloson Fund, which we are advised is carried as part of the general endowment funds of St. Luke's Hospital.

Investments are stated at cost and we have not investigated their present market values.

We wish to acknowledge the courtesies extended to our representative during the conduct of the work.

Yours respectfully,

EDWARD GORE & CO.

BY-LAWS OF THE WOMAN'S BOARD OF ST. LUKE'S HOSPITAL

ARTICLE I.

The Board shall be called the Woman's Board of St. Luke's Hospital.

ARTICLE II.

Its object shall be to aid the Trustees of the Hospital to provide bedding, table linen, china, reading matter, delicacies, comforts for the sick and furnishings for the Hospital and the Elizabeth Stickney Home (The Training School for Nurses), also to invite the co-operation and secure the help of the Episcopal Churches and all charitable people of Chicago in the work of the Hospital.

ARTICLE III.

Section 1. Membership shall be of four classes: Honorary, Senior, Active and Associate.

Section 2. Honorary Membership may be conferred upon one who has rendered especial or distinguished service to the work of the Board. The name of one desired to be so honored shall be sent in writing, with the reasons therefor, signed by at least two members of the Board, to the Membership Committee. If the name is considered favorably by the unanimous ballot of the Membership Committee, it shall be recommended to the Board where election shall be by ballot. **A unanimous vote of the Board shall elect to Honorary Membership.** Honorary Members have all the rights and privileges of membership except the right to vote and hold office. Honorary Members pay no dues.

Section 3. Senior Members shall be chosen, on the recommendation or with the approval of the Membership Committee, from those who have served as active members of the Board. They shall have the right to attend all meetings, may vote at all meetings and have all the rights and privileges of active members except that of holding office. Senior members shall not, unless volunteering or expressing a desire so to do, be considered available for active work or service at the Hospital. Senior members shall pay annual dues of \$15.00.

Section 4. Active Members shall not exceed sixty in number; shall pay annual dues of \$5.00, and have all rights and privileges of membership.

Section 5. Associate Members pay annual dues of \$10.00. They shall have the right to attend meetings of the Board, and shall be notified by card of the annual meetings. Associate Members do not vote nor hold office.

Section 6. Candidates for membership on the Board shall be recommended in writing by two members of the Board to the Membership Committee. The Membership Committee shall vote by ballot upon candidates so recommended, and upon unanimous vote same shall be referred to the Board for final action. The Board shall vote by ballot upon candidates recommended by the Membership Committee. Three negative votes shall defeat election.

Section 7. The Membership Committee shall consist of the three Vice-Presidents with the Second Vice-President as Chairman and two non-office holding members to be elected by the Board at the Annual Meeting.

ARTICLE IV.

Section 1. Officers: The Officers of the Board shall be a President, three Vice-Presidents, Recording Secretary, Corresponding Secretary and a Treasurer.

Section 2. At or prior to the November Meeting of the Board the President shall appoint a Nominating Committee of five members, whose names shall be announced by the Recording Secretary at the November Meeting. To this Committee shall be entrusted the recommendation of a ticket consisting of at least one name for each office to be filled. No one shall be recommended by the Nominating Committee whose consent to serve has not been first obtained. The ticket so prepared shall be announced at the December Meeting. After which a copy shall be mailed to all voting Members of the Board, and shall be presented to the Board at its January Annual Meeting, at which meeting nominations may also be made from the floor. The election shall be by ballot and a majority vote shall elect.

Section 3. The officers elected at the annual meeting shall serve one year and until their successors shall be elected and qualified.

ARTICLE V.

Section 1. There shall be an Executive Committee consisting of the Officers of the Board and Chairmen of all standing committees. The Executive Committee shall meet at the call of the President.

Section 2. It shall be the duty of the President to preside at all meetings, appoint all committees not otherwise provided for, and perform the ordinary duties of the President.

Section 3. The first Vice-President shall perform all the duties of the President in her absence.

Section 4. The Second or Third Vice-President shall perform the duties of President, in the absence of both the President and

the First Vice-President. The Second Vice-President shall be the Chairman of the Membership Committee.

Section 5. The Corresponding Secretary shall conduct all correspondence on behalf of the Board, and shall send the usual notices of meetings.

Section 6. The Recording Secretary shall keep and preserve reports and minutes of all the meetings, and shall mail copies of the minutes to the President and Corresponding Secretary. She shall also perform such other duties as may be directed by the Board.

Section 7. The Treasurer shall collect the dues and receive the Funds of the Board, and shall pay out money only as directed by the Board. She shall keep such records as may be prescribed by the Board, and shall submit to the President each month an accurate exhibit of receipts and disbursements.

ARTICLE VI.

Section 1. The annual meeting of the Board shall be held on the fourth Wednesday in January at 10:30 a.m., at which time the annual dues of \$5.00 shall be paid.

Section 2. The regular meetings of the Board shall be held at St. Luke's Hospital, on the first Wednesday of each month from October to June inclusive.

Section 3. Seven members shall constitute a quorum for the transaction of business at all meetings, including the Annual Meeting.

ARTICLE VII.

Section 1. Order of Business. The order of business for the Annual Meeting shall be as follows:

- (a) Prayer.
- (b) Roll Call.
- (c) Minutes of last Annual Meeting.
- (d) Reports of Officers:
 - President.
 - Vice-Presidents.

Section 2. Order of business for the regular meetings of the Board shall be as follows:

Prayer.
Roll Call.
Reading of the Minutes of the Previous Meeting.
Report of the Corresponding Secretary.
Report of the Treasurer.
Reports of the Chairmen of various Committees.
Miscellaneous Business.

ARTICLE VIII.

Duties of Members.

It shall be the duty of the members of the Woman's Board to attend the monthly meetings. A fine of \$1 for each absence from Board Meetings shall be assessed, except in the case of non-resident members.

ARTICLE IX.

Section 1. All Committees shall have power to increase their membership, adopt rules not inconsistent therewith, elect their own officers, the chairmen being members of the Board. Committees shall hold regular meetings at which the work of such committee shall be organized and transacted. The Chairman of each Committee shall report to the Board plans of work contemplated, and written report of the work accomplished.

ARTICLE X.

These By-Laws may be amended by a two-thirds vote at any regular meeting, notice in writing of the proposed amendment having been sent to all members of the Board.

ANY PERSON DESIRING TO BEQUEATH A LEGACY TO THIS CHARITY IS
REQUESTED TO DO IT IN THE FOLLOWING MANNER, VIZ:—
